

We at Omanexpo give utmost importance to the safety of its exhibitors, visitors and contractors. The safety guidelines will run as per the guidelines issued by Oman Ministry of Health and World Health Organization – WHO.

The aim of this guidance is to set standards which will safeguard the health and safety of any person working at or visiting an Omanexpo event or exhibition

## Safety Commitment

- COVID-19 HSE video will be shared with all event stakeholders before move-in.
  - As a standard, safety checkpoints will be in place with temperature checks with hand sanitizing facility.
  - Emergency medical services are available including temporary isolation room in case an exhibitor/visitor/supplier displays any symptoms of COVID-19.
  - Mandatory face mask to be worn by all exhibitors, suppliers, vendors, contractors and visitors.
  - Self-registration systems to be in place.
  - Physical distancing to be maintained across all aisles, conference rooms and exhibition stands.
  - Hand sanitizers to be placed in all communal areas.
  - Frequent cleaning and sanitization of exhibition spaces during the event.
-
